BY TAMMY HOLT

GETTING TO KNOW TURKEY

- 99% of the population is Muslim
- Twice the size of Germany; approximately the size of Texas and Louisiana
- Home to the ruins of Ephesus, and the Christian church in Smyrna is one of the seven churches in the Book of Revelation
- On Feb 6th two earthquakes killed more than 45,000 people
- The biblical city of Antioch was one of the most affected

NEEDS

- Strength for local workers who are serving entire communities
- Comfort for those who lost family members in the earthquakes
- Revelation of Jesus' love for their nation
- Protection for those who have experienced religious persecution in the past

BRING TURKEY INTO YOUR PRAYERS

Heavenly Father, as we rest in our homes and go through our days, bring Turkey's residents and those serving there to our minds and hearts.

Holy Spirit, we partner with you to release your presence and your gifts into this region, and into the hearts of every Muslim, Christian, and non-believer.

We pray for new and fresh revelations of your grace, visions of your peace, and reassurance of your power and presence amidst all the devastation that this nation has suffered.

Guard and protect those who are working to make your name known and your presence felt in this beautiful but anxious land, and make the harvest both bountiful and beautiful.

In Jesus name, Amen.
